CURRICULUM VITAE

Chiv Menglong

Graphic Design Intern

PROFILE

IT student at the University of South-East Asia with a completed internship in graphic design and printing. I create social media graphics, posters and edited photos with Photoshop, Canva and CapCut. I am looking for a graphic design internship where I can work with a creative team, take feedback and keep improving my design skills.

EXPERIENCE

Graphic Design & Printing Intern

Feb 2026 – Aug 2026

University of South-East Asia · Siem Reap

- Designed social media posts and graphics using Photoshop and Canva.
- Supported the team's day-to-day graphic design and printing work.
- Completed the full 7-month internship, certified by the university.
